SECTION A - SUPPLEMENTAL INFORMATION

Modification P00003 to DAAE07-02-C-N119

Production Item: 42 each Parts Kit, Auto Electric, NSN 5999-01-436-8900, Borisch P/N 01BB2-12466259

Option Quantity Exercised On Previous Mod P00001: 21 each

Option Quantity Exercised On Previous Mod P00002: 21 each

Remaining Available Option Quantity: -0- (Zero)

Expiration Date of Option: Oct. 4, 2003

- A. This Modification P00003 to DAAE07-02-C-N119 grants the Contractor's request to change the FOB Point from Origin to Destination on undelivered Option SubCLINs 0002AA (for 21 each) & 0002AB (for 21 each, also). The Contractor, Borisch Manufacturing Corporation, has agreed to pay for the cost of shipping SubCLINs 0002AA & 0002AB without re-imbursement by the Government, even though Borisch Mfg. Corp. had bid on those SubCLINs on an FOB: Origin basis.
- B. The Contractor has stated that its reason for being willing to absorb the shipping cost of Option SubCLINs 0002AA & 0002AB is that it wishes to avoid the time-consuming process of obtaining GBLs (Government Bills of Lading) associated with FOB: Origin. The change to FOB: Destination will enable Borisch Mfg. Corp. to ship sooner and invoice sooner, which are advantages that Borisch Mfg. Corp. considers to be worth the expense of absorbing the shipping cost.
- C. The schedule pages that follow show the new FOB point of "Destination" for Option SubCLINs 0002AA & 0002AB.
- D. To accommodate the change in the FOB point, there are many clause changes incorporated via this modification. The clause changes do not apply to "shipped" Production CLIN 0001AA, which was shipped FOB: Origin in accordance with the contract requirements in effect at the time of shipment.
- E. As a result of the foregoing, the total dollar value of the contract remains \$411,689.46.
